Fluor. Yellow Highlighter Pen Style	1	1/2" Paper Fasteners 100 Ct.	1
<i>*See attached headphone flyer(green sheet)</i>		Prepackaged Price	\$100.00

Note to Parents: This list covers the majority of supplies that your child will need for the school year, but additional items may be requested by teachers. Replacement of supplies may be needed during the school year.

Dear Parents,

All students in kindergarten through 4th grade are required to have a set of headphones for computer class. Headphones are not included in the EPI packs and must be purchased separately. Experts are finding that earbuds are not good for small ears due to fit and volume*. On-ear or over-ear headphones are suggested, but it's a parental decision.

Students will bring their headphones to computer class during the first week of school. Because many headphones are similar in appearance, please label your child's headphones with a stick-on label or marker. Headphones will be kept in the computer classroom in an individual plastic bag labeled with the student's name. No one else will use your child's headphones.

If a student currently has headphones for computer class, those headphones will be stored at school over the summer and will be available for the student to use next year. Parents who would like to have their child's headphones returned at the end of the current school year may make this request. A form will be sent home at the end of the year.

Students in grades 5 through 8 may bring their own earbuds or headphones. They may keep them with their own supplies (pencil bag) or leave them in the computer lab. Headphones are not used regularly in computer class for grades 5-8.

Thank you,
Kathy Marshall
Technology Teacher
